

Child Safety Seat Program

Several members of the Lewisburg Police Department and the Lewisburg Fire Department have been certified as Tennessee Child Passenger Technicians. These technicians are able to inspect child car seats to ensure they are correctly installed. They will also check the seat to see if it is on the recall list. Technicians will provide instruction and demonstrate the proper method for installing your car seat.

If you need assistance please call (931) 359-4044
