More Information

Participants in the CPA will learn about the intricacies of police work through the perspective of a variety of guest speakers, including members of the police department's various specialized components.

This course involves traveling to satellite locations within Lewisburg on select course nights. You must provide your own transportation to these locations.

IMPORTANT: While completion of this course gives citizens an understanding of the workings of the Lewisburg Police Department, it does not make a participant a certified law enforcement officer, nor is it designed to train citizens to perform law enforcement duties.
