

# Cops for Kids Program

The "Cops for Kids Program" was established to enable the

Lewisburg Police Department to give something back to the citizens of Lewisburg and provide assistance to those families that may find themselves facing difficult financial hardships.

Funding for the "Cops for Kids Program" comes entirely from donations from local citizens and businesses in conjunction with our fundraising events. Please consider making a donation to this very worthwhile program. The information for submitting donations is included below. The smiles that we see on the faces of these children more than repay the time and effort put into this program.

Donations can be made to Cops for Kids by contacting Kim Gentry at 931-359-4044 or mailing the donation to the Lewisburg Police Department at 101 Water Street, Lewisburg, TN. 37091.
