Threshold for Commercial & Industrial Permits

Burn Permits

Due to dry conditions, there will be no Burn Permits issued by the Lewisburg Fire Department in the city limits until further notice effective as of Tuesday, Sept. 10, 2019, per Lewisburg Fire Chief Larry Williams. Thank you as always for your support.

Burn Permits within the city, for open flame burning can be obtained by calling the Lewisburg Fire Department at 931-359-4544 or 931-359-4214. The Shift Captain will issue a permit number for "No Charge."
